Las Vegas Convention Center

Join Us In The #1 Trade Show Destination City In The World...

SELLERS OF GREEN BUILDING PRODUCTS AND SERVICES...

As a green building product manufacturer, provider or distributor - The National Green Builders Products Expo offers you, as an exhibitor, a world-class venue. NGBPE is the place where you truly have the time to first and foremost sell product with qualified buyers who place orders on the spot. It will also afford you ongoing and repeat high volume sales opportunities as well. You will meet quality buyers from every region of the country. NGBPE also gives you great opportunities to seriously network, strengthen existing and/or develop new relationships, and build long-term strategic partnerships with, and sell face-to-face to all segments of the trade-to-trade market!

BUYERS OF GREEN BUILDING PRODUCTS AND SERVICES...

As a buyer, if you are any of the following, this is where you want to be! Builders, developers, project managers, subcontractors, re-modelers, architects, government planners, specifiers and engineers, environmental, safety, energy and operations managers, plant and facility managers, and particularly dealers/suppliers from across the country will find the products and services for all residential, commercial or industrial projects.

**NO SEMINARS DURING EXHIBIT HOURS TO
TAKE YOU AWAY FROM VALUABLE BUYING
& NETWORKING TIME!**

Green Building Product Dealer Magazine, the shows official publication and Co-sponsor, will be presenting a world-class, compact, concise and cutting edge seminar program.
